

(3) An estimate of the time required for the oral presentation and the number of witnesses whom the petitioner would present; and

(4) If cross-examination of any witness is desired, the name of the witness, if known, the subject matter of the desired cross-examination or the title or number of the exhibit to be cross-examined, what the petitioner expects to establish by the cross-examination, and an estimate of the time needed for it.

(b) Petitions for an oral hearing, oral argument, or an administrative law judge's decision shall be filed no later than the due date for answers in proceedings governed by § 302.211, § 302.212 and § 302.213, and be accompanied with the information specified in paragraphs (a)(1) and (a)(2) of this section. Filing of the information required in paragraphs (a)(3) and (a)(4) of this section may be deferred until the DOT decisionmaker has decided to hold a formal proceeding.

(c) Where a stipulation of disputed facts would eliminate the need for an oral presentation or an administrative law judge's decision, parties shall include in their petitions an offer to withdraw the request should the stipulation be made.

§ 302.209 Procedures for deferral of applications.

Within twenty-eight (28) days after the filing of an application under this subpart, the DOT decisionmaker may defer further processing of the application until all of the information necessary to process that application is submitted. The time periods contained in this subpart with respect to the disposition of the application shall not begin to run until the application is complete. In addition, the DOT decisionmaker may defer action on a foreign air carrier permit application for foreign policy reasons.

§ 302.210 Disposition of applications; orders establishing further procedures.

(a) *General requirements.* The DOT decisionmaker will take one of the following actions with respect to all or any portion of each application:

(1) Issue an Order to Show Cause why the application should not be granted, denied or dismissed, in whole or in part.

(2) Issue a Final Order granting the application if the DOT decisionmaker determines that there are no material issues of fact that warrant further procedures for their resolution.

(3) Issue a Final Order dismissing or rejecting the application for lack of prosecution or if the application does not comply with this subpart or is otherwise materially deficient.

(4) Issue an order setting the application for oral evidentiary hearing. The order will establish the scope of the issues to be considered and the procedures to be employed, and will indicate whether one or more attorneys from the Office of the Assistant General Counsel for Aviation Enforcement and Proceedings will participate as a party. All of the procedures set forth in § 302.214 through § 302.218 will apply unless the DOT decisionmaker decides otherwise.

(5) Begin to make a determination with respect to the application under simplified procedures without oral evidentiary hearing. In this event, the DOT decisionmaker may indicate which, if any, of the procedural steps set forth in § 302.215 through § 302.219 will be employed. The DOT decisionmaker may also indicate that other non-oral evidentiary hearing procedures will be employed.

(b) *Additional evidence.* An order establishing further procedures under paragraph (a)(1), (4) or (5) of this section may provide for the filing of additional evidence.

(c) *Petitions for reconsideration.* Petitions for reconsideration of an order issued under this section will not be entertained except to the extent that the order dismissed or rejected all or part of an application. If a petition for reconsideration results in the reinstatement of all or part of an application, the deadline for final Department decision established in § 302.220 will be calculated from the date of the order reinstating the application.
